HAPPY ANNIVERSARY to ICLD In this, ICLD's 60th Anniversary Year, Sharon and I have been part of ICLD's leadership now for over 14 years, and though we were not acquainted with Founder, Dr. Cal Katter, or the early pioneers and leaders of the ICLD organization, we did overlap in the twilight years of their successors, Mike Ondov, Gordon Kanten, Ray Felt, Lloyd Johnson, and others in the gratifying ministry of sending gospel literature free-of-charge to developing countries of God's world. *"Faith comes by hearing and hearing by the Word of God."* (Romans 10:17)

Lately we have been listening to teaching about the younger generation being unchurched or disinterested in church, God, Scriptures, or a personal relationship with Jesus Christ here in the United States, even if they are basically following the morals and ethics of their Judeo-Christian heritage. If this is so, we think not only of our country's young people and their future, but we also wonder if this same trend is finding its way into the developing countries of the world.

"We have no greater joy than to know our children walk in truth." (3John 4) In your prayers for ICLD please remember to pray also for the children in developing countries, for their walk of faith with the Savior, and for the Bibles and Christian books ICLD sends to their areas. Thanks to all for their giving and their prayers. John Stacknik, ICLD President

From a Church Ministry/Philippines: is praising the Lord Jesus Christ for using you as a channel of blessing in reaching more people and making them disciples of our beloved Savior. The Bibles and Christian literature you have given to us last 2020 became useful instruments in proclaiming clearly the Good News of salvation. Even though we are doing our worship services online, we were able to preach and equip our brethren to hold fast in the hope that is in Christ Jesus.

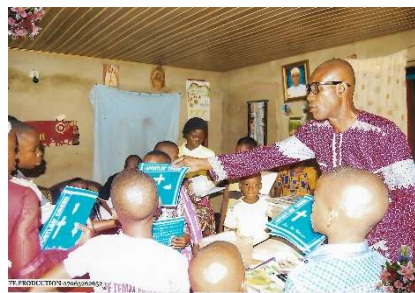

From a Bible College/Malawi: As a Bible School we really need the books for the teachers and the Bible School

students to study. Getting information on Internet is not commonly used here, we are still behind, our pastors may not be able access information on Internet instead we depend on books. Thanks for your help, extend also my gratitude to all those who took their time, spend their resources and strength to gather these books for us. May the Good Lord Jesus Christ bless you.

From a Pastor/India: "Today I received the books package safely. I heartily thanks for all your love, kindness and generosity. These wonderful books will be benefit by many poor persons spiritually! May God bless you all."

From a Pastor/Ghana: "I am once again happy to receive your special box having all the basic things which any person need for Spiritual blessing in this evil world. Please, thank you very much for the Holy Bibles books and tracts for promotion of God's Love power and salvation every book and Bible will be a source of hope and strength..."
